G.O. Ms. No. 478/63/DD.

*Dated, Trivandrum, 28th October 1968.*

NOTIFICATION.

Whereas it was reported to Government that Shri Younnan alias Yavanachan, President, Valakom Panchayat, took away the minutes book of the panchayat and returned it on the next day after making certain insertions to the proceedings, dated 5th February 1964 with a view to gain his own ends in the nomination of a woman member;

And whereas it was also reported to the Government that on a personal enquiry made by the Director of Panchayats it was revealed that the recording on page 106 and up to the word "ചെയ്തു" in line 2 of page 107 was written by the Panchayat Assistant Sri Ulahannan and the rest was written by the President as insertions on page 107 between lines 1 and 2 as "ചിന്നമ്മ വർഗ്ഗീസിനെ [illegible] [illegible]" and between lines 3 and 4 "[illegible] ചിന്നമ്മ വർഗ്ഗീസ് [illegible]";

And whereas Government by notice, dated 30th September 1964 afforded to the President an opportunity for his explanation in respect of the above said charges as required by sub-section (3) of section 53 of the Kerala Panchayat Act, 1960;

And whereas the President in his explanation, dated 17th October 1964 furnished in pursuance of the said notice has represented:

(1) that the Election Petition No. 1 of 1964 challenging the validity of the election of the woman member of the panchayat was pending in the Muvattupuzha Munsiffs Court and that any decision by the Government on the notice would be clearly subjudice;

(2) that all proceedings in pursuance of the notice might be held over till the Election Petition No. 1 of 1964 was disposed of by the Court;

(3) that he might be given an opportunity afterwards to file a reply statement exhaustively and by way of oral enquiry in the matter;

(4) that the allegations contained in the notice were not true and correct and that he has not violated any rules or abused the powers vested in him;

(5) that he had not taken the minutes book to his house nor had he made any false insertions;

(6) that the executive authority had never told him that records in the custody of the executive authority had been removed by him without the knowledge of the executive authority and that he did not commit any irregularity wilfully;

(7) that the nomination of Srimathi Saraswathi Raman Nambiar was duly accepted by the Deputy Director of Panchayats and the same was notified in the Government Gazette and that the nomination would not have been notified if there had been any irregularity or illegality as alleged;

(8) that the powers conferred by section 53 of the Kerala Panchayats Act, 1960, were arbitrary and ultra vires of the provisions of the Act which safeguard the panchayats by providing for no confidence motions against the President and that there were no grounds for the Government to take this extreme step in view of the fact that there were other remedies open;

And whereas the President in his further explanation, dated 22nd October 1964 represented. . . .

(1) that the proposal to nominate Srimathi Chinnamma Varghese was not a valid proposal as it was not supported by a letter written and signed by her expressing her willingness to serve as a member of the panchayat, if nominated, that the proposal to nominate Srimathi Saraswathi Raman Nambiar was supported by a letter of consent from her and that as there were no other duly proposed candidate there was no ballot and Srimathi Saraswathi Raman Nambiar was declared to have been duly nominated;

(2) that the nomination was perfectly in accordance with rules 9 and 11 of the Kerala Panchayats (Nomination of Women by the Panchayat) Rules, 1964, read with rule 6 of the Kerala Panchayats (Election of President and Vice-President) Rules, 1963 and that the name of the nominated candidate was caused to be published the same day as required by rule 9 of the Kerala Panchayats (Nomination of Women by the Panchayat) Rules, 1964;

(3) that there was a mass petition objecting to the nomination of Srimathi Chinnamma Varghese presented to him;

(4) that the statement in the notice issued to him to the effect that the insertions were found to be in support of the position taken up by him in the election of the woman member and made in different ink and that they did not represent the true proceedings of the meeting were all baseless, that he had no particular interest in any of the candidates whose names were proposed and that everything was done in accordance with the rules and the provisions of the Act;

(5) that the statement in the notice to the effect that the custodian of the records of the panchayat is the executive authority and therefore in taking away the records without the knowledge of the executive authority and in making unauthorized and false insertions in the minutes book he had violated the rules and abused the powers vested in him as the President of the Panchayat were also baseless and that he has not violated any of the rules nor has he abused any of the powers vested in him as the President of the Panchayat;

(6) that the conclusions were arrived at without holding any enquiry with notice to him and therefore the Principles of natural justice were violated;

(7) that section 53 of the Kerala Panchayats Act in so far as it authorizes the Government to remove Presidents or Vice-Presidents on the basis of the Government's subjective satisfaction of certain acts or omissions enumerated therein, there being no guiding principles laid down as to how such opinions are to be formed, is violative of the fundamental rights guaranteed by the Constitution of India;

(8) that no proceedings should be taken on the basis of the notice issued to him as there were no reasons to remove him from office and that all proceedings to that effect should be dropped;

(9) that he might be given an opportunity by way of oral enquiry and personal hearing in the matter:

And whereas in O.P. No. 3153 of 1964, the President requested the High Court to issue an injunction to the Government restraining them from taking steps in pursuance of the show-cause notice issued to the President;

And whereas the High Court on hearing the arguments on the above said O.P. restrained the Government on 20th November 1964, from taking steps in pursuance of the above said notice issued to the President;

And whereas on hearing the arguments in the C.M.P. No. 8371 of 1964 in O.P. No. 3453 of 1964 filed by

Smt. Saraswathi Raman Nambiar requesting the High Court to be pleased to restrain the Government from taking any proceedings in pursuance of the above said notice issued to the President, till the disposal of the Election Petition No. 1 of 1964 pending before the Munsiff's Court, Muvattupuzha, the High Court on 16th December 1964 restrained Government from taking any proceedings in pursuance of the above said notice issued to the President for one month from that date;

And whereas Government in their counter affidavit filed in O.P. No. 3443 of 1964 explained the position as "when the above notice was issued to the President, Government was not aware of the election petition in the Munsiff's Court referred to by the petitioner and as it was subsequently reported that an election petition was pending and that the issues raised in the election petition were more or less similar, further proceedings in pursuance of the notice, dated 30th September 1964 have been deferred till the disposal of the election petition";

And whereas the High Court dismissed the said O.P. No. 3443 of 1964 on 7th October 1965 on the ground that "in view of the above statement the petitioner need have no apprehension that the State will take any steps which will prejudice the election petition which is still pending";

And whereas the said Election Petition No. 1 of 1964 has been finally disposed of on 31st January 1967;

And whereas the explanations offered by the President are not acceptable for the following reasons, namely:—

(1) The executive authority and the Panchayat Assistant have stated that after the meeting on 5th February 1964, the President took the minutes book with him and that the same was taken back from his residence on 6th February 1964. The peon of the panchayat has stated that he was the person who brought the book on 6th February 1964 from the residence of the President. The argument of the President that the executive authority never told him that the records under the custody of the executive authority had been removed by the President without his knowledge is of no value since the executive authority has stated that he was under the impression that the President might have kept the minutes book on his table and also that he was not aware that the President has taken the book to his residence till Shri P. K. George, a member of the panchayat, wanted a copy of the minutes. The executive authority has also stated that when the minutes book was not seen in the office, he sent the peon and got back the book from the residence of the President. The statements obtained from the executive authority, the Panchayat Assistant and the peon establish the fact that the President had taken the book to his residence, beyond any reasonable doubt.

(2) The insertions made in the minutes book are in different ink and pen. The insertions were also in support of the position taken by the President at the meeting. Except for making the insertions, the President had no necessity for taking the minutes book to his residence. A personal enquiry conducted by the Director of Panchayats has also revealed that the minutes recorded in the book did not represent the true happenings at the meeting held on 5th February 1964 and that the insertions were subsequently made by the President.

(3) In the order in Election Petition No. 1 of 1964, the Munsiff, Muvattupuzha has observed that "considering the oral, documentary and circumstantial evidence adduced in this case, I find that the second respondent (Chinnamma Varghese) was validly proposed for nomination, that a consent letter was produced before the first respondent (the President) by the petitioner, that the proposal of the nomination of the second respondent was rejected by the first respondent on the ground of an alleged petition by 1,000 and odd people and that the minutes have been subsequently corrected by the first respondent".

(4) Under rule 3 of the Kerala Panchayats (Custody of Records and Grant of Copies of Proceedings or Records) Rules, 1962, the executive authority shall be responsible for the custody of all the records of the Panchayat and therefore the President had no authority to take away the minutes book without the knowledge of the executive authority.

(5) The argument of the President that his action has to be taken to be regular on the strength of the notification published by the Deputy Director of Panchayats accepting the nomination of the woman member recommended by the Panchayat, is not acceptable since the Deputy Director of Panchayats while notifying the nomination was not expected to verify the *bona fides* of the recommendation made by the Panchayat.

(6) The contention of the President that section 53 of the Kerala Panchayats Act is arbitrary and ultra vires of the provisions of the Act which safeguard the Panchayat by providing for a no-confidence motion against the President is not correct because sections 53 and 51 of the Act are intended to meet two different circumstances and contexts. The no confidence motion under section 51 of the Act is one of the remedies of the Panchayat to meet the misbehaviour and abuse of powers by the President and section 53 is another remedy by which Government can take action against the President *suo motu*. This additional remedy contributes to safeguarding the administration of the Panchayat against the high-handedness and misbehaviour of the President even if he escapes the no confidence motion by his undue influence over the majority of the members. There is also no substance in his contention that section 53 is violative of the fundamental rights guaranteed by the Constitution of India.

(7) Sub-section (3) of section 53 of the Kerala Panchayats Act provides for giving an opportunity for explanation. This is sufficient compliance with the principles of natural justice. A personal hearing is not necessary to meet the principles of natural justice.

(8) In the explanation, dated 17th October 1964, the President had requested for an opportunity to file a detailed statement afterwards. On 22nd October 1964, he has submitted a detailed explanation. Therefore Government do not consider it necessary to give him an opportunity for another explanation.

(9) The other contentions of the President are not relevant explanations to the charges against him and have, therefore, to be ignored for the purposes of the present proceedings;

And whereas in the above circumstances Government are satisfied that the President had taken the minutes book to his residence on 5th February 1964 without the knowledge of the executive authority and made unauthorised and false insertions therein at his residence, that these acts were done wilfully and that by such act the President has wilfully abused the powers vested in him as President of the Panchayat for achieving his own ends;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 53 of the Kerala Panchayats Act, 1960 (32 of 1960), the Government hereby direct that Shri Varunan alias Yavanachan, President, Valakom Panchayat, Ernakulam district, be removed from the Office of the President of the said Panchayat with effect from 1st November 1968.

By order of the Governor,

R. RAMACHANDRAN NAIR,
Deputy Secretary.

### AWARD.

This is an Industrial Dispute between the Superintendent, Stagbrook Estate, Peermade, and the workmen of the above concern represented by the General Secretary, Highland Plantation Labour Union, Alleppey, over "Dismissal of Sri Packianathan, Supervisor, Stagbrook Estate" referred to this court for adjudication under section 10 (1) (*c*) of the Industrial Disputes Act of 1947 (Central Act XIV of 1947) by Government of Kerala in their order Health and Labour (H) Department, G.O. Rt. No. 4063|65|HLD, Trivandrum, dated 23rd November 1965.

2. In pursuance of notices issued, the parties put in their respective statements. The Union examined the dismissed Supervisor under reference Sri Packianathan as WW1, Smt. Kutti Pennu, an employee working in the Estate as WW 2, Smt. Rathinam another employee of the Estate as WW3, and the General Secretary of the Highland Plantation Labour Union as WW4, and filed Ext. W1. The management examined Smt. Parvathi, a worker attached to the Estate who is alleged to have been assaulted by the dismissed Supervisor Sri Packianathan as EW1, Smt. Indirani, another worker of the Estate who is alleged to have been accompanying EW1 at the time of the incident as EW2, and Sri A. K. Abraham, Superintendent of the Estate, who conducted the domestic inquiry, as EW3, and filed Exts. E1 to E7.

3. The case of the management briefly stated is that Supervisor Sri Packianathan, at about 6-45 a.m. on 5th July 1965 wrongfully restrained two workers (pluckers) Smt. Parvathi and Smt. Indirani, while on their way to the workspot in field No. 18 of the Estate, and outraged the modesty of Smt. Parvathi by holding her on her breasts. A written complaint was received by the management from Smt. Parvathi through her father on 14th July 1965. Supervisor Sri Packianathan was charge-sheeted for the misconduct under reference and kept under suspension pending enquiry with effect from 5th July 1965. The enquiry was conducted on 22nd July 1965 in which workers Smt. Indirani and Smt. Parvathi were examined. Supervisor Sri Packianathan was given opportunities to cross examine the two witnesses. Worker Smt. Kutti Pennu was examined on the side of the accused Supervisor Sri Packianathan. The enquiry officer, examined as EW3, found Supervisor Sri Packianathan guilty of the misconduct with which he stood charged, and he was therefore dismissed from service with effect from 14th July 1965, the date of which he was kept under suspension. The enquiry proceedings have been proved as Ext. E6. The written complaint filed by worker Smt. Parvathi on 14th July 1965 has been proved as Ext. E5. It is the case of the management that Supervisor Sri Packianathan has been molesting another female worker Smt. Ramalakshmi on 17th July 1963, as made out from a complaint filed by Smt. Ramalakshmi on 20th July 1963 proved as Ext. E7, and that Supervisor Sri Packianathan having then admitted the misconduct and tendered his apologies, was excused by the Management.

4. The case of the union is that the incident in which Supervisor Sri Packianathan is alleged to have molested or outraged the modesty of Smt. Parvathi, is false and that the case was foisted upon Supervisor Sri Packianathan by his political rival, Supervisor Sri Pechimuthu. The domestic enquiry against Sri Packianathan was conducted in violation of the principles of the Natural Justice, for the reason that the deposition of the witnesses was not taken down truly or correctly and Sri Packianathan was also not allowed to examine certain witnesses cited or produced by him, to prove his innocence in the matter.

5. In the enquiry proceedings proved as Ext. E5, it is seen that Smt. Parvathi and Smt. Indirani have spoken to the incident in keeping with the case of the management. Both of them stated that there was none else present at the scene of occurrence. Smt. Kutti Pennu when examined at the domestic inquiry by Sri Packianathan has stated that though she was following Sri Packianathan to the fields at the alleged time of occurrence, she might not have seen the incident, for the alleged reason that she could not see Sri Packianathan and the two girls due to a bend on the road between herself and the alleged scene of occurrence. Smt. Parvathi, a girl of 19, swore before court when examined as EW1 that Supervisor Sri Packianathan stopped her along with her companion Smt. Indirani at the scene of occurrence, by stretching out his hands while they were on their way to their workspot in the morning on 5th July 1965, and that while Smt. Indirani escaped by running away, she was caught hold of by Supervisor Sri Packianathan by her breasts. Smt. Indirani a girl of 20 examined as EW2, speaks to the incident corroborating EW1. They have stated both at the domestic enquiry and before this court that they did not see anybody else at the scene of occurrence at the time. Supervisor Sri Packianathan while pleading not guilty to the charge levelled against him, would have us believe that the case was foisted on him by his political rival Supervisor Sri Pechimuthu, at whose instance the written complaint proved as Ext. E5 was put in by Smt. Parvathi, and that there were a few other workers at the alleged scene of occurrence. Smt. Kutti Pennu and Smt. Rathinam, alleged to be two of the workers who were present at the alleged scene of occurrence, have been examined by the union as WW2 and WW3 in their attempt to prove that no such incident as alleged by the management has ever taken place. WW2 Smt. Kutti Pennu when examined at the domestic enquiry, stated that she saw EW1, EW2 and Supervisor Sri Packianathan proceeding to the fields in the morning on 5th July 1965, but that she has not seen the incident inasmuch as the scene of occurrence was not visible to her due to a curve on the road. However when examined before court as WW2 she would have us believe that she could see Supervisor Sri Packianathan all along the way till he reached the fields, and that no such incident as alleged by the management has taken place at the spot. Smt. Rathinam examined as WW3 speaks corroborating WW2.

6. I find no reason to disbelieve or doubt the veracity of Smt. Parvathi or Smt. Indirani to come to the conclusion that Supervisor Sri Packianathan restrained the two female workers and that he molested or outraged the modesty of Smt. Parvathi while the other two oven and escaped. The evidence given by Smt. Kalli Pecon and Smt. Rethinam examined as WW2 and WW3, in my opinion, are interested, and hence cannot be believed, in the face of the evidence given by EW1 and EW2 before this court as well as at the domestic enquiry. The plea put forwarded by the Union that the incident narrated by EW1 and EW2 is a false story cooked up by Supervisor Sri Packianathan, who is alleged to be not on good terms with the accused Supervisor, seems to be unfounded.

7. It is a well established principle of law that this court has no jurisdiction to interfere with the decision taken by the management, unless the view or decision taken by the management regarding the guilt of a dismissed workman is based on insufficient evidence, or the finding is perverse, or any of the principles of Natural Justice has been violated during the domestic enquiry or there has been victimisation or unfair labour practice, or there is want of bonafides on the part of the management. No such infirmities are present in this case. It is further made out that dismissed Supervisor Sri Packianathan has been committing a similar misconduct on a previous occasion. There seems to be no lack of bonafides on the part of the management in having come to the conclusion that Supervisor Sri Packianathan is guilty of the misconduct with which he stood charged or in having dismissed him from service. I find no reason why the decision taken by the management should be interfered with. The dismissal of Supervisor Sri Packianathan from service is not without justification. An award is passed accordingly.

8. This award will come into force on the expiry of 30 days after its publication in the Government Gazette.

AWARD.

This is an Industrial Dispute between (1) The Chairman, Co-operative Sugars Ltd., Chittur Post, Menonpara, via Kozhinjampara, Palghat and (2) The Secretary, Co-operative Sugars Ltd., Chittur Post, Menonpara, via Kozhinjampara, and the workmen of the above concern represented by Shri N. P. Mohandas Menon, Manufacturing Chemist, Raviprakash Jainmedu, Palghat-1, over "Termination of service of Shri N. P. Mohandas Menon, Manufacturing Chemist", referred to this court for adjudication under section 10 (1) (c) of the Industrial Disputes Act of 1947 (Central Act XIV of 1947) by the Government of Kerala in their order Health and Labour (H) Department, G.O. Rt. No. 2171|67|HLD, Trivandrum, dated 27th May 1967.

In pursuance of notice issued, the parties put in their respective statements. According to Shri N. P. Mohandas Menon, he was appointed as a Manufacturing Chemist on probation for six months, and on completion of probation was confirmed in the supervisory "B" grade with effect from 13th June 1965. The Management thereafter laid him off with effect from 16th May 1966, and subsequently terminated his services by notice, dated 8th November 1966. The Management subsequently dismissed him from service by an order, dated 14th April 1967 on certain charges levelled against him. According to the Management the appointment of Shri Mohandas Menon was not of a permanent nature, and his service was terminated as the factory is of a seasonal nature and for non-availability of cane. He happened to be dismissed from service for misconducts proved against him in a domestic enquiry held by the Management, in which he refused to be present.

Today when the case was taken up, a memorandum of settlement has been submitted by the parties to the dispute settling the matter out of court. Since the parties have settled the matter amicably out of court, there is no Industrial Dispute now for adjudication before this court. An award is passed accordingly.

This award will come into force on the expiry of 30 days after its publication in the Government Gazette.

According to the management, they do not have the financial capacity to revise the scales of pay as required by the union.

3. When the case was taken up for evidence today, the parties to the dispute filed a joint compromise petition settling the matter out of court. AWARD.

This is an Industrial Dispute between the Proprietor, Vijayalakshmi Cashew Company, Quilon, and the workmen of the above concern represented by the President, Cashew Industries Employees' Council, P.O. Kilikolloor, Quilon, over Dismissal of Shri N. Narayana Pillai, Watcher, Vijayalakshmi Cashew Factory, Kallukadavu", referred to this court for adjudication under Section 10 (1) (C) of the Industrial Disputes Act of 1947 (Central Act XIV of 1947) by the Government of Kerala in their order Health and Labour (H) Department G.O. Rt. No. 148/67/HLD, Trivandrum, dated 20th January 1967.

In pursuance of notice issued, the parties put in their respective statements.

According to the management, Sri N. Narayana Pillai, Watcher, attached to the Vijayalakshmi Cashew Company was dismissed from service for having caused ten bags of cashew shells to be taken out of the factory against a gate-pass for five bags of cashew shells on 9th April 1965. The union would have us believe that the charge against the workman is unfounded, and that the enquiry conducted against him was in violation of the principles of natural justice.

However, Watcher Sri N. Narayana Pillai, the dismissed workman under reference, put in a statement before court that the matter has been settled out of court and that he has no claims against the management. Today when the case was taken up, the General Secretary of the union represents that the matter has been settled out of court, and that on such the dispute is not pressed.

Since the dispute has been settled amicably between the parties, there is no industrial dispute now for adjudication before this court. An award is passed accordingly.

This award will come into force on the expiry of 30 days after its publication in the Government Gazette.

ORDER.

This is an application put in by Sri Gopinathan, Employee of Asramam Tile Works, Asramam, Quilon against Sri V. N. Janardhanan Pillai, Proprietor, Asramam Tile Works, Asramam, Quilon, residing at Nandabhavanam, Asramam, Quilon under Section 33 C (2) of the Industrial Disputes Act, 1947 for the determination of certain benefits by way of retrenchment compensation consequent on the petitioner being retrenched on 20th May 1965 after having put in 10 years of continuous service, bonus due to him for the period from 31st July 1965 to 20th May 1966, lay-off compensation from 1st January 1966 till he was retrenched from service, May Day holiday wages on 1st May 1966, and leave with wages for the year 1966, in all estimated by the petitioner in this application at Rs. 819.

2. In pursuance of notice issued, the parties put in their respective statements. The petitioner Sri Gopinathan was examined as P.W. 1 and Exhibits P-1 to P-3 filed. P.W. 1 however was not cross-examined as the learned counsel for the opposite party was not present at the time when he was tendered for cross-examination. Registered disposal notice was issued to the opposite party, who was not regular in his attendance before court. In spite of registered notice being accepted by the opposite party he was absent before court. The opposite party was therefore declared ex parte.

3. It is seen from the evidence given by P.W. 1 that an amount of Rs. 600 is due to him as retrenchment compensation in accordance with the retrenchment notice filed as Exhibit P-1, that an amount of Rs. 45 is due to him as bonus for the period ending 20th May 1966, that an amount of Rs. 166 is due to him as lay off compensation for 83 days and Rs. 4 each towards National Festival Holiday on 1st May 1966 and one day's leave with wages for the year 1966, in all amounting to Rs. 819. The opposite party has not rebutted the claims of the petitioner in any way, but has been staying away from court even after accepting a registered disposal notice.

4. In the result I determine the benefit due to the petitioner from the opposite party at Rs. 819 as claimed by the petitioner in this application. The opposite party will further pay the petitioner Rs. 15 towards costs.

5. A copy of his decision will be forwarded to Government under Section 33 C (4) of the Industrial Disputes Act, 1947 on application made by the petitioner, in case the amount is not paid by the opposite party forthwith.

### AWARD.

This industrial dispute between the above parties was referred to this Tribunal for adjudication by Government as G.O. Rt. No. 2575|67|HLD, dated 17th June 1967. The issue referred for adjudication is as follows:—

"Grant of annual increments from 1960 and an adequate Dearness allowance to the monthly paid staff members of the Shertallai Coir Mats and Mattings Co-operative Society Ltd., No. 240, Shertallai."

2. Shri K. C. Eapen, President of the Kerala Coir Factory Staff Association, Alleppey, submitted the claim statement for and on behalf of the Union in which it was contended as under:—

The concerned workmen are the monthly paid employees of the employer factory which is engaged in the manufacture of coir goods and its marketing. This establishment is one of the largest coir factories in the Shertallai taluk and can be considered as one of the major industrial coir establishment in the State. The employer Society employs 14 monthly paid workmen to carry on its office and supervisory works in all its three units. The salary of these employees were very low at the initial stages and it was being continued. Similar employees in comparable establishment are getting 100 per cent more than what the concerned employees are paid. Therefore, the following scales of increment may be granted to the concerned employees:—

*Managers.*—

For the first five years after joining service—Rs. 10 per year.

For the next five years of service—Rs. 15 per year.

For the next five years of service—Rs. 25 per year.

*Accountant—Assistant Manager.*—

For the first five years after joining service—Rs. 10 per year.

For the next five years of service—Rs. 12.50 per year.

For the next five years of service—Rs. 15 per year.

*Clerks—Mooppans.*—

For the first five years after joining service—Rs. 7.50 per year.

For the next five years of service—Rs. 10 per year.

For the next five years of service—Rs. 12.50 per year.

*Attenders, Peons, Night Watchmen.*—

For the first five years after joining service—Rs. 5 per year.

For the next five years of service—Rs. 7.50 per year.

For the next five years of service—Rs. 10 per year.

The employees are not given any dearness allowance at present and so they may be granted dearness allowance as follows:

(a) Fixed dearness allowance at 25 per cent of the salary.
(b) Variable dearness allowance at 15 paise per point above 100 in the cost of living index.

The Union concluded the statement with a prayer that an award may be passed in their favour.

3. The Management of the Society submitted their reply statement in which they have contended as follows:—

There cannot be an industrial dispute between the members of the same Society since the Board of Directors of the Society are elected by the staff members themselves.

Regarding merits, the staff members are not entitled to the yearly increment or for dearness allowance as claimed by the Union. The Management Society was started in the year 1953 by taking over two coir factories, one of which was already closed down and the other was on the verge of closure. It was only prudent on the part of the Management to have started the running of the factory with as little over-head expenditure as possible, so that the factory may be kept going on.

The Society has to compete in the market with the other private employers in the matter of purchasing raw materials as well as exporting the manufactured goods to the foreign countries. The fate of the coir industry in this part of the country is well known to all and it is being carried on with much strain and difficulties.

Even at the initial stages the staff in the establishment were paid a consolidated pay and allowance, which was revised from time to time, as the Management was progressive enough to respond to the need of the staff members and to give them adequate protection. The present pay and allowances drawn by the employees compare favourably with the payment made to the other employees in similar concerns in Shertallai taluk. The Management definitely will not be in a position to bear any additional financial burden since it will only ruin the establishment as a whole.

The working capital of the Society is given by the Government and the Management has to pay interest apart from the administrative expenses, etc. Thus taking into consideration the financial capacity of the Management Society at present it will be impossible on the part of the Management to make any enhancement in the pay and dearness allowance as claimed by the Union.

The Management of the Society concluded their statement with a prayer that their contentions may be upheld.

4. The Union submitted a replication in which they have traversed all the allegations of the Management as stated in their reply statement.

5. The case came up for evidence and the Union examined W.W. 1 to W.W. 3 and closed their evidence. When the case came up for evidence of the Management both the parties submitted that the matter was compromised out of court and they filed a joint petition of compromise, which is shown below as "Annexure".

6. Since I find the terms and conditions of the compromise to be just and reasonable, I pass this award in terms of the same. This award shall come into force on the expiry of thirty days from the date of its publication in the Government Gazette.

K. P. M. SHERIFF,

3. It is further agreed that the management will pay every employee 5 paise as dearness allowance per point above 100 per month based on cost of living index at Sherthalai.

4. For the purpose of calculation of variable Dearness Allowance in a particular month, the C.L.I. applicable for the month previous to the immediately preceding month will be taken, since the C.L.I. for the particular month will not be available at the time of calculation. For example, the payment of dearness allowance in October, the C.L.I. for the month of August will be taken and dearness allowance paid accordingly.

5. The arrears due in respect of dearness allowance will be paid to the staff members on or before 30th November 1968.

7. It is therefore, prayed that an award may be passed in terms of the above.
